Produkt biorący udział w promocji

T30NC230A **Siłownik termoelektryczny**

Znasz go z każdej belki rozdzielacza.

Mały, niepozorny, a robi robotę: otwiera i zamyka przepływ w pętli „podłógówki”, po otrzymaniu rozkazu z listwy lub regulatora.

Funkcja First Open – łatwiejsze nakręcanie i natychmiastowa gotowość do napełnienia instalacji!

Parametry techniczne:

- Przyłącze: M30 x 1,5 mm
- Sygnał zasilania: 230 V AC 50 Hz
- Funkcja: normalnie zamknięty (NC)
- Skok: 4,5 mm

Już za 30 zawleczek odbierasz pierwszą nagrodę!

A zbierając więcej – wskakujesz po kolejne stopnie kolekcji „Król Rur”.

**Ten siłownik nie tylko grzeje.
On też ubiera!**
